Our Mission, Not a Business....

## Foster Application

This is an application for you to become a Foster Member of Columbus Cocker Rescue (CCR). To begin the approval process, you must complete and submit the following application. Additionally, you must agree to a home visit by a Columbus Cocker Rescue representative. All decisions made by Columbus Cocker Rescue are final regarding the acceptance or rejection of an application for fostering a Columbus Cocker Rescue dog.

As a Foster Member of CCR, you are asking to bring a CCR dog into your home and care for it until a suitable adopter has been found. That means that you are willing to assume responsibility for the dog's welfare and assume financial responsibility for providing food and water for the dog, as well as providing the other basics that all dogs need. When a suitable adopter has been found, you are expected to return the dog to Columbus Cocker Rescue. If you decide to adopt your foster dog, you must make application and follow the normal adoption process.
